

RESOLUTION NO. _____

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE
HILLSBOROUGH CITY SCHOOL DISTRICT ORDERING AN
ELECTION TO AUTHORIZE THE ISSUANCE OF SCHOOL BONDS,
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER,
AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS
OCCURRING ON JUNE 7, 2022**

WHEREAS, the Hillsborough City School District (the "District") in San Mateo County (the "County"), State of California (the "State"), is committed to providing quality education to its students; and

WHEREAS, while the District and the Board of Trustees ("Board") are proud of the award-winning schools and academic performance overall, the quality and condition of school facilities have not kept pace with current academic and safety standards; and

WHEREAS, many of the District schools and classrooms are over 60 years old and require extensive repair and upgrades to continue to provide a safe and modern learning environment for local students as well as serve our community well for the decades to come; and

WHEREAS, the District has conducted a thorough Facilities Master Planning process with input from stakeholders to identify the upgrades needed at each school site in order to meet current safety standards as well as up-to-date academic standards; and

WHEREAS, repairs or replacement of deteriorating roofs and windows, plumbing, electrical, heating, cooling and air filtration systems are necessary in District schools; and

WHEREAS, the District has identified the need to replace aging portables with permanent classrooms to better serve our students and community; and

WHEREAS, the District acknowledges the need to provide modern classrooms, labs, instructional technology and educational facilities to support engaging, hands-on learning experiences in subjects including science, technology, engineering, arts and math; and

WHEREAS, the District has identified the need to upgrade local schools so they meet current health codes, building safety codes and provide proper access for students with disabilities; and

WHEREAS, the cost of identified upgrades and improvements are beyond the scope of the District's current operating budget and passing this bond measure provides a guaranteed source of locally controlled funding to maintain and improve this community's local school facilities; and

WHEREAS, supporting quality education is a wise investment for parents as well as non-parents of the District, in that doing so protects property values and the quality of life; and

WHEREAS, a bond measure will benefit local schools and no funds can be taken away by the State or other school districts, and by law, no money can be used for administrator salaries or pensions; and

WHEREAS, a bond measure could qualify District schools for State matching funds that would otherwise go to other school districts; and

WHEREAS, a bond measure requires strict fiscal accountability protections including mandatory annual audits and an independent citizens' oversight committee comprised of local residents to ensure funds are managed and spent properly; and

WHEREAS, on November 7, 2000, the voters of the State of California approved Proposition 39 ("Proposition 39"), which amended Articles XIII A of the California Constitution ("Article XIII A") to allow for the levy of *ad valorem* property taxes for the payment of bonded indebtedness of a school district, community college district or county office of education approved by at least 55 percent of the voters voting on such proposition; and

WHEREAS, upon the passage of Proposition 39, the Strict Accountability in Local School Construction Bond Act of 2000, being California Education Code Section 15264 and following (the "Strict Accountability Act"), became operative; and

WHEREAS, in order to address the facilities needs of the District as described herein, in the judgment of the Board, it is advisable to call an election pursuant to the Strict Accountability Act to submit to the electors of the District the question whether bonds of the District shall be issued and sold pursuant to the authority of Article XVI Section 18 of the California Constitution and Article XIII A (together with the Strict Accountability Act, the "Law") for the purposes authorized by the Law and as described in Appendix A hereto (the "Full Text of Bond Measure"); and

WHEREAS, under the Strict Accountability Act, the election may be ordered at a primary or general election, a regularly scheduled local election at which all of the electors of the District are entitled to vote, or a statewide special election, upon a two-thirds vote of the Board; and

WHEREAS, the Board desires to call an election in the District pursuant to the Law on June 7, 2022, which is the date of the statewide primary election, and pursuant to Education Code Section 15121 and Elections Code Section 10400 and following, to request consolidation with any and all other elections held in the District on such date, and to request the San Mateo County Registrar of Voters (the "County Registrar") to perform election services for the District; and

WHEREAS, in connection with the calling of a bond election and in accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the County Assessor; and

WHEREAS, pursuant to United States Income Tax Regulations Section 1.150-2, the Board desires to declare its official intention at this time that if the measure submitted to voters hereunder is successful and bonds are issued pursuant to such measure, that it

intends to reimburse from said bond proceeds expenditures, if any, made by the District prior to the date of issuance of said bonds for the purposes described in the measure;

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE HILLSBOROUGH CITY SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Recitals. The foregoing recitals are true and correct.

Section 2. Call for Election. The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in the maximum principal amount of \$140,000,000 for the purposes described in the ballot measure approved under Section 4 and attached hereto as Appendix A (Full Text of Bond Measure) and Appendix B (Abbreviated Text of Bond Measure), and paying all costs incident thereto. This Resolution constitutes the order of the District to call such election and shall constitute the “specifications of the election order” pursuant to Education Code Section 5322.

Section 3. Election Date. The date of the election shall be June 7, 2022, and such bond election shall be held solely within the boundaries of the District. The boundaries of the District have not changed since the District’s last election.

Section 4. Purpose of Election; Ballot Measure. The purpose of the election shall be for the voters in the District to vote on a bond measure, a full copy of which is attached hereto as Appendix A and marked “Appendix A – Full Text of Bond Measure” (the “Full Text of the Measure”), containing the question of whether the District shall issue general obligation bonds for the purposes stated therein, together with the accountability requirements of Article XIII A and the requirements of Section 15272 of the Strict Accountability Act. The Full Text of the Measure, which commences with the heading “FULL TEXT OF BOND MEASURE” and includes all of the text thereafter on Appendix A, shall be printed in the voter information pamphlet provided to voters, with such measure designation as is assigned to the measure by the County elections official.

As required by Education Code Sections 5322 and 15122, Elections Code Section 13247, and in accordance with Elections Code Section 13119, the abbreviated statement of the measure to appear on the ballot is attached hereto as Appendix B and is marked as “Appendix B – Abbreviated Form of Bond Measure.”

The President of the Board and the Superintendent are hereby separately authorized and directed to make any changes to the text of the bond measure as described herein to conform to any requirements of the Law or the County Registrar, to changes in applicable legal provisions, to address word count limitations, and upon the advice of its legal counsel. Any such changes shall be directed in writing by the Superintendent to the County Registrar.

Section 5. Authority for Election. The authority for ordering the election is contained in Section 15264 *et. seq.* of the Education Code, Article XVI Section 18(b) of the California Constitution and paragraph (b) subsection (3) of Article XIII A. The authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 6. Proceeds for School Facilities Projects. The Board certifies that the proceeds from the sale of the bonds will be used only for the purposes specified in Article XIII A, Section 1(b)(3) as further specified in Appendix A, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Further, as required by Article XIII A, the Board hereby certifies that it has evaluated safety, class size and information technology needs in developing the list of school facilities projects set forth in Appendix A.

Section 7. Covenants of the Board upon Approval of the Bonds by the Electorate; Accountability Measures. As required by Article XIII A, Section 15278 of the Strict Accountability Act, and Government Code Section 53410, in the event 55 percent of the voters voting in the District approve of the Bonds, the Board shall:

- (a) conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Appendix A;
- (b) conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Appendix A;
- (c) establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Strict Accountability Act;
- (d) apply the Bond proceeds only to the specific purposes stated in the ballot proposition;
- (e) cause the creation of accounts into which bond proceeds shall be deposited; and
- (f) cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 8. State Matching Funds. The Board hereby finds that some of the projects identified on the Full Text of Measure may require state matching funds for completion. As such, the statement required by Education Code Section 15122.5 has been included in the Full Text of Measure attached hereto which shall be reproduced in the sample ballot.

Section 9. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to (1) the County Registrar, and (2) the San Mateo County Clerk of the Board of Supervisors (the "Clerk of the Board") for purposes of consolidation pursuant to Elections Code Section 10403. The Resolution shall be received by the County Registrar and the Clerk of the Board no later than 88 days prior to the election date, unless otherwise permitted by law.

The County Registrar is hereby requested to print the full text of the ballot measure in the ballot materials as it appears on Appendix A hereto and to provide all required notices of the election and other notices related thereto.

Section 10. Consolidation of Election; Request to Provide Services. The County Registrar and the San Mateo County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on June 7, 2022 within the District.

Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of San Mateo County is requested to permit the County Registrar to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse San Mateo County in full upon presentation of a bill from the County, such services to include the publication of a formal Notice of School Bond Election and the mailing of the sample ballot and tax rate statement approved pursuant to Section 11 hereof.

Section 11. Approval of Tax Rate Statement. Pursuant to Elections Code Section 9400 and following, a tax rate statement has been prepared in the form attached hereto as Appendix C, which form of Tax Rate Statement is hereby approved for inclusion in the sample ballot. The President of the Board, the Superintendent, or any written designee of the foregoing, are hereby separately authorized and directed to execute the tax rate statement, and to file said Statement with the County Registrar, in accordance with Section 9 hereof.

Section 12. Ballot Arguments. As provided in Elections Code Section 9501, any and all members of this Board are hereby authorized to act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument.

Section 13. Maturity Limit of Bonds. The Bonds may be issued in one or more series by the District from time to time, and each series of Bonds shall mature not more than the legal limit at the time of such issuance thereof. The Bonds shall be issued under the Strict Accountability Act, under the provisions of Section 53506 *et seq.* of the California Government Code, or under any other provision of law authorizing the issuance of general obligation bonds by school districts.

Section 14. Reimbursement. Pursuant to United States Income Tax Regulations Section 1.150-2, the District hereby declares that it may (i) pay certain costs of the projects listed in Appendix A prior to the date of issuance of bonds and, in such case, (ii) intends to use a portion of the proceeds of bonds for reimbursement of said expenditures for the projects that are paid before the date of issuance of bonds.

Section 15. Estimates Included in Ballot Materials. The measure authorized by this Resolution includes information presented to voters with respect to the amount of money required to repay issued bonds, the estimated rate of the approved tax per \$100 of assessed valuation (*ad valorem* tax), and the estimated duration through which the proposed tax supporting bond repayment will be levied and collected, among others. Any such estimates have been provided by the District in good faith based upon information currently available to the District, but depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan. Such estimates and approximations are not intended by the Board, and shall not be interpreted or construed as additional restrictions on the District's bond program, bond issuances and related tax rate, and, other than the total principal amount of bonds authorized to be issued by the bond measure, do not represent legal maximums or additional limitations beyond applicable legal requirements. Furthermore, the abbreviated

and condensed statement of the bond measure set forth in Appendix B, limited by State law to 75 words or less, does not limit the scope and complete meaning provided in the Full Text of Bond Measure, set forth in Appendix A.

Section 16. Engagement of Professional Services. The firm of Isom Advisors, a Division of Urban Futures, is hereby designated to act as financial advisor to the District, and the firm of Jones Hall, A Professional Law Corporation, is hereby designated as bond counsel to the District, in connection with the election proceedings authorized under this Resolution and the issuance of any bonds in the event such election is approved by the requisite percentage of voters. Said firms shall be engaged upon the terms and conditions upon which they have been engaged in connection with prior general obligation bond issues of the District.

Section 17. Official Actions. The President of the Board, the Superintendent and the Associate Superintendent, Business Services are hereby separately authorized and directed to execute and deliver to County officials any directions, requisitions or other writings, and to make any changes to the texts of the measure as described herein and in the tax rate statement, to conform to any legal requirements or the County Registrar, in order to cause the election to be held and conducted in the District.

Section 18. Effective Date. This Resolution shall take effect on and after its adoption.

* * * * *

The foregoing Resolution was adopted by the Board of Trustees of the Hillsborough City School District of San Mateo County, being the Board authorized by law to make the designations therein contained by the following vote, on February __, 2022.

APPENDIX A

FULL TEXT OF BOND MEASURE

INTRODUCTION

The following is the abbreviated form of the bond measure:

“To upgrade aging school facilities and classrooms for science, technology, engineering, arts and math instruction; repair/ replace deteriorating roofs, plumbing, electrical, heating/ cooling and ventilation systems; upgrade schools to meet current earthquake/ fire standards, and replace outdated portables with permanent classrooms, shall Hillsborough City School District’s measure to issue \$140,000,000 in bonds at legal interest rates be adopted, raising \$6,600,000 annually averaging 3¢ per \$100 of assessed value while bonds are outstanding, with independent oversight and audits?
”

BOND AUTHORIZATION

By approval of this measure by at least 55 percent of the registered voters voting on the measure, the Hillsborough City School District (the “District”) will be authorized to issue and sell bonds of up to \$140 million in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed under the heading “Bond Project List” below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The District Board of Trustees (the “School Board”) has identified detailed facilities needs of the District and has determined which projects to finance from a local bond. The School Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens’ Oversight Committee. Following approval of this measure, the School Board will establish an Independent Citizens’ Oversight Committee, under Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

Performance Audits. The School Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The School Board will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Mendocino County Treasurer, as required by the California Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the School Board not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), being the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed project or projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the project or projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

Voters are informed that any estimates or projections in the bond measure or ballot materials, including relating to estimated rates of taxes, the duration of issued bonds and related levies and collections of taxes are provided as informational only. Such amounts are estimates and are not maximum amounts or limitations on the terms of the bonds, the tax rate or duration of the tax supporting repayment of issued bonds. Such estimates depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations are provided based on information currently available

to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District. In addition, the abbreviated and condensed statement of the bond measure presented to voters which is subject to a word count limitation imposed by State law does not limit the scope and complete meaning of the measure provided in this Full Text of Bond Measure and related ballot materials.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the construction, reconstruction, rehabilitation, or replacement of school facilities of the Hillsborough City School District, including furnishing and equipping, and the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries or other school operating expenses, in compliance with California Constitution Article XIII A, Section 1(b)(3). This measure authorizes bond projects to be undertaken at all current and future District sites and campuses.

Specific School Facility Project List. The items presented on the following list provide the types of school facilities projects authorized to be financed with voter-approved bond proceeds. Specific examples included on this list are not intended to limit the types of projects described and authorized by this measure. The following types of projects are authorized:

Projects to Modernize Building Functions and Improve Energy Efficiency

- Roofs, plumbing, electrical, heating, cooling, ventilation systems
- Solar energy, shade and efficient projects
- ADA accessibility improvements
- District administrative office improvements

Projects to Renovate and Improve Classrooms and School Facilities

- Classrooms, labs, libraries, restrooms, locker rooms
- Pre-school facilities
- Science, technology, engineering, arts and math
- Music and art room improvements
- Update classroom computers and technology infrastructure
- Outdoor learning spaces and amphitheaters
- Gyms, playground, playing field, fitness and other athletic facilities
- Multi-purpose room improvements

Projects to Improve Student and Campus Safety

- Earthquake and fire safety improvements
- Fencing and security systems
- Replacement of portable classrooms
- Parking, walkway and student drop off improvements
- Fire sprinklers

Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the

types of projects described above. Each of the listed items include the construction, reconstruction, rehabilitation, or replacement of existing buildings or new buildings.

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, construction management and other planning and permitting, legal, accounting and similar costs; all finishing work such as painting, repainting, carpeting and flooring; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization including abatement and removal of hazardous materials and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; costs of the election; project construction oversight, management and administration during the duration of such projects, including by District personnel, and bond issuance costs.

Unforeseen conditions may arise during the course of planning, design and construction resulting in the scope and nature of any of the specific projects described above being altered by the District. In the event that the District determines that a modernization or renovation project is more economical for the District or otherwise in the District's best interests to be undertaken as new construction, this bond measure authorizes said new construction, including land acquisition, relocation, expansion and construction and/or reconstruction, and all costs relating thereto. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. Further, authorized projects include reimbursements for project costs previously paid and paying and/or prepaying interim financing for the types of projects included on the project list, such as bond anticipation notes. Finally, projects on this list may be undertaken and used as joint use projects with other public agencies.

Approval of the District's bond measure does not guarantee that all of the identified projects within this Bond Project List will be funded beyond what can be completed with funds generated by this bond measure. The District plans to pursue funds from the State of California, if available, to provide additional funding to complete certain of the identified facilities projects. Many factors which the District cannot predict or control may impact its ability to address each of the projects, including but not limited to construction cost issues, supply chain issues which can cause project delays, labor shortages, and unknown environmental factors or site conditions, among others. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

The order in which projects are listed in the foregoing Bond Project List does not suggest an order of priority. Project prioritization is vested in and will be determined by the School Board.

APPENDIX B

ABBREVIATED FORM OF BOND MEASURE

To upgrade aging school facilities and classrooms for science, technology, engineering, arts and math instruction; repair/ replace deteriorating roofs, plumbing, electrical, heating/ cooling and ventilation systems; upgrade schools to meet current earthquake/ fire standards, and replace outdated portables with permanent classrooms, shall Hillsborough City School District's measure to issue \$140,000,000 in bonds at legal interest rates be adopted, raising \$6,600,000 annually averaging 3¢ per \$100 of assessed value while bonds are outstanding, with independent oversight and audits?

Bonds—Yes

Bonds—No

APPENDIX C

TAX RATE STATEMENT REGARDING PROPOSED HILLSBOROUGH CITY SCHOOL DISTRICT GENERAL OBLIGATION BONDS

An election will be held in the Hillsborough City School District (the "District") on June 7, 2022 to authorize the sale of up to \$140.0 million in bonds of the District to finance school facility improvements as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* property tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is 2.7¢ per \$100 of assessed valuation (or \$27.00 per \$100,000 of assessed value). The final fiscal year in which the tax is anticipated to be collected is 2056-57.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is 3¢ per \$100 of assessed valuation (or \$30.00 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2022-23 and following.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$277.0 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the San Mateo County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and

market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the San Mateo County Assessor in the annual assessment and the equalization process.
